Did you know?

Mount Jamanota is the highest point on Aruba, and on a clear day you can see Venezuela from its peak.

A land of opposites, Aruba has high desert and beaches, Dutch country windmills and glitzy modern casinos, Arawak petroglyphs at Arikok National Park, and the ruins of a gold-mining operation at Miralamar, natural beauty and thrumming nightlife. The one thing the island doesn't have is a reason to stress out.

45-Day Guarantee

Shop with confidence at each of the recommended stores. All stores listed on the map offer guests a Buyer's Guarantee against defective materials or workmanship for up to 45-days from purchase. This guarantee is valid for repair or exchange. The following conditions apply to the guarantee: Accidental damage and buyer's remorse are excluded. Only appraisals from independent, accredited graduate gemmologists not affiliated with any retail jeweller will be considered in order to determine quality and value of jewellery related to any claims. In the case of branded diamonds and gemstones, a gemmologist with knowledge of the brand must conduct the appraisal. Verbal claims or agreements between merchant and guest will not be grounds for returns. Electronics and watches requiring service must be returned to the respective manufacturer directly by the guest. All purchases, including fragile items, must be checked before leaving the store. Do not mail the goods without prior authorisation. Guests are responsible for postage and appraisal costs.
