Welcome to the Kingdom of the Netherlands ... in the Caribbean! This rugged island is renowned by divers for the beauty of its offshore reefs, and by birdwatchers for the variety of birds that can be spotted along the lagoons and salt pans to the south. A hike up Mount Brandaris in the north rewards with breathtaking views.

Did you know?

The island's Papiamentu language blends Portuguese, Spanish, Dutch, and West African languages with Native American words and grammar from Judeo-Portuguese, spoken by Sephardic Jewish settlers in the 1600s.
