# St. Thomas USVI Port Shopping Map

The U.S. Virgin Islands - St. Thomas, St. John, St. Croix, and a handful of smaller, uninhabited islands were bought from Denmark in 1917 as an outpost to guard the Panama Canal, for the sum of \$25 million in gold coins. St. Thomas' best beaches (some of the world's most celebrated) are all within 3 miles of the capital, Charlotte Amalie, and gorgeous coral reefs lie 40 feet from shore.

St. Thomas has the second oldest synagogue with sand floors in the Western Hemisphere

## 45-Day Guarantee

Shop with confidence at each of the recommended stores. All stores listed on the map offer guests a Buyer's Guarantee against defective materials or workmanship for up to 45-days of purchase. This guarantee is valid for repair or exchange. The following conditions apply to the guarantee: Accidental damage and buyer's remorse are excluded. Only appraisals from independent, accredited graduate gemmologists not affiliated with any retail jeweller will be considered in order to determine quality and value of jewellery related to any claims. In the case of branded diamonds and gemstones, a gemmologist with knowledge of the brand must conduct the appraisal. Verbal claims or agreements between merchant and guest will not be grounds for returns. Electronics and watches requiring service must be returned to the respective manufacturer directly by the guest. All purchases, including fragile items, must be checked before leaving the store. Do not mail the goods without prior authorisation. Guests are responsible for postage and appraisal costs.
