## Port Shopping Map

The largest of the British Virgin Islands is part bustling town, part laid-back beach community. Main Street in RoadTown is packed with crafty boutiques and upscale lounges, while beaches like Cane Garden Bay boast outstanding snorkelling and restaurants serving the freshest fish in the Caribbean alongside cocktails made from locally distilled rum, a source of island pride.

### Did you know?

People can't agree on the source of the island's name. Either Columbus named it after tórtola, the turtle dove, or else Dutch explorers named it Ter Tholen after Tholen, an island off Holland's coast.

This guarantee is valid for repair or exchange. The following conditions apply to the guarantee: Accidental damage and buyer's remorse are excluded. Only appraisals from independent, accredited graduate gemmologists not affiliated with any retail jeweller will be considered in order to determine quality and value of jewellery related to any claims. In the case of branded diamonds and gemstones, a gemmologist with knowledge of the brand must conduct the appraisal. Verbal claims or agreements between merchant and guest will not be grounds for returns. Electronics and watches requiring service must be returned to the respective manufacturer directly by the guest. All purchases, including fragile items, must be checked before leaving the store.
